Featured in the 2011 MTV EMA official gift bag will be the new **Swatch Touch 2011**, a colourful new collection of trend-setting timekeepers with big-screen LCD dials and a touch-sensitive zone in place of pushbuttons. On the style front, Swatch Touch 2011 brings streetwise fashion to the wrist, showing inspiration from urban rhythms and electric sounds, boarders up on snow and surf, riders taking life to extremes.
